TEMPORARY LED WORK LIGHT

450W

Model	Power	LED Emitter Life	IP Rate	Input Voltage
NS-TWL450W-02-C	450W	50000hrs	IP65	100-277V AC

TEMPORARY LED WORK LIGHT

80W-150W

80W-150W

250W

Product features

1. 360-degree luminescence, Explosion-proof and pressure-resistant design of the cover.
2. Wide voltage constant current power supply, high efficiency, no flicker.
3. Portable hooks are convenient, flexible and easy to operate.
